FINANCIAL POLICY

INSURANCE

1. Patient and/or responsible parties who have dental or health insurance should remember that professional services are provided and charged to the patient/responsible party, not the insurance company. Allowing time for the insurance company to process claims before collecting our fee is a courtesy we *may* extend to our patients- not an obligation.
2. We will submit insurance claims for the patient and/or responsible party unless other arrangements have been made.
3. We will ESTIMATE, to the best of our ability, the amount your insurance company will pay. We ask that you pay the difference between ESTIMATED coverage and the cost of the procedure at the time of service.
4. Should insurance pay more than the estimated amount, our office will gladly refund the difference.
5. Insurance companies pay benefits based on fees that they determine according to contracts negotiated with employers and/or individuals. They term these benefits “reasonable and customary rated” which may or may not be the prevailing fees in the area. The fees charged in our practice fall within most insurance company’s “reasonable and customary rates”. However, those who have a contract with a lesser quality insurance company, or those whose employers have purchased inferior plans may have “reasonable and customary rates” that fall below actual charges. Should this occur, the patient and/or responsible party is liable for the balance not covered by insurance. We will not be forced to let monetary considerations and insurance company policies interfere with providing the best possible care to our patients.
6. If a patient’s insurance requires hospitalization to be predetermined, it is the patient’s responsibility to notify our office.
7. The parent that accompanies a minor to the office will be responsible for the fees unless other arrangements have been made prior to the date of service.
8. (For DELTA Premier patients) Sixty days will be allowed for your insurance company to process the claim. If, after sixty days and a follow up by us, no notice has been received from your insurance company, it is your responsibility to contact them directly. Regarding your insurance, you should remember that the entire balance is your responsibility at that time.

LATE FEES AND/OR COLLECTION COSTS

1. If any balance is overdue and Legal or Collection assistance becomes necessary, the responsible party (guarantor) will be liable for charges incurred.
2. Accounts over 90 days will be referred to our Collection Agency and will be subject to fees equal to 35% of account balance.

This signature is on file as my authorization for the release of information necessary to process my claim. I hereby authorize payment directly to Admired Smiles of the insurance benefits otherwise due.

I have read the above financial policy and agree to the terms outlined therein.

ATTENTION INSURANCE COVERAGE PATIENTS

As a courtesy to our patients, we will bill your insurance company for the treatment you receive.

We will **ESTIMATE**, to the best of our ability, the amount your insurance company will pay. We ask that you pay the difference between **ESTIMATED** coverage and the cost of the procedure at the time of service.

Should insurance pay more than the estimated amount, our office will gladly refund the difference.

NON PAYMENT

In the event that your insurance company has not paid any or all of the **ESTIMATED** coverage amount after 2 months, you, the patient, are still liable and you will be asked to pay the balance in full at that time.

You may wish to pursue the claim with your insurance company personally and we are happy to provide you with appropriate documentation.

NEW PATIENTS

If we are not able to confirm insurance coverage prior to your appointment, payment for the entire procedure will be due at the time of service.

I have read the above information and understand that regardless of any insurance claim, I am responsible for all unpaid fees.
